Any change of bank account number must be reported online by the fellowship holder on their personal e-space page.

CHAPTER II: WORK ACCIDENTS

Article 4
Fellowship holders are covered by an insurance contract required by the law. This contract covers ordinary work risks during seminars or in laboratory as well as risks of accidents occurring on their way to work.

It also covers the risks incurred during temporary missions in Belgium and abroad. Fellowship holders may use any common transportation (sea, air or road transport) authorised for people transportation to travel, inasmuch as they are not members of the crew.

To that end, Research Fellow shall give prior notice to their promoter and the F.R.S.-FNRS of the starting date of their leave.

The Fund gives the Research Fellow in the aforementioned situation an extra payment to the indemnity provided by the mutual insurance company in order to compensate for the loss of income.

To that end, Research Fellow must provide the Fund with a certificate issued by the health care insurer (the mutual insurance company), mentioning both gross and net amounts of the maternity, paternity or adoption indemnity that they have received.

In that case, the payment of the remuneration is immediately suspended.

To that end, the Research Fellow shall give prior notice of the starting date of their leave to their promoter and the F.R.S.-FNRS.

The Fund gives the Research Fellow in the aforementioned situation an extra payment to the indemnity provided by the mutual insurance company in order to compensate for the loss of income.
