All co-promoter applicants involved in a **Single or a Cross-university EQP** shall meet the eligibility criteria as referred to in article 4.

II- B.: ACCUMULATION RULES

Article 6

Any promoter must comply with all the accumulation rules as referred to in [Appendix 2](#).

II- C.: SUBMISSION OF APPLICATION

Article 7

The "Credits and Projects" Call is opened once a year and is published on the F.R.S.-FNRS website.

The application can be submitted in French or in English. It must only be submitted through the [e-space](#) online platform dedicated to the calls for proposals.

It is recommended to applicants who wish to have their application file assessed by [Scientific Commissions](#) dedicated to SEN (Exact and Natural Sciences) and SVS (Health and Life Sciences) fields, as well as the Scientific Commission SHS-2, to submit their application in English³.

All EQP applications are submitted to a procedure including three successive electronic validations on the dates that will be indicated when the call is published.

² Research logisticians of rank A, as defined by the Royal Decree of 31st October 1953 fixing 'le statut des agrégés, des répétiteurs et des membres du personnel scientifique des universités de l'État', are only allowed to be co-promoter-applicant provided they hold a Ph.D.

³ Should the application file be submitted in French, the F.R.S.-FNRS may require the applicant to provide a translation in English for the purpose of conducting the [ex-ante evaluation](#).

- c. The validation by the research administration (or Board of Education) of the university of the French-speaking community of Belgium to which promoters are related – the Authority to which the application file is transferred once promoters have validated the application form. That authority may accept or refuse the application. The validation deadline fixed for the rectors puts a final end to the call for proposals.

Applications that have not been validated within the time-frame of the call cannot be taken into account.

The validation dates are available in the mini-guide.

CHAPTER III: NATURE AND DURATION OF THE FUNDING

Any equipment whose VAT-included cost is above € 200,000- must be requested under the “Large Equipment” Call.

Article 10

CHAPTER IV: EXAMINATION OF APPLICATIONS

Article 11

Criteria that will be taken into account for the evaluation of EQP applications are the following:

CRITERIA
Quality of the promoters: <ul style="list-style-type: none"> ➤ CV and publications ➤ International recognition ➤ Main research achievements
Quality of the research programme: <ul style="list-style-type: none"> ➤ Feasibility ➤ Methodology and relevance ➤ Originality ➤ Collaborations

The adequacy of the requested budget with regard to the submitted research programme will also be evaluated. The Scientific Commission may reduce the requested budget up to a maximum of 15%. If the adequacy between the research programme and the requested budget is not justified and appears to require a reduction of more than 15%, the research programme will not be deemed fundable.

Article 12

The decision-making body of the F.R.S.-FNRS allocates funds according to the budget that is available. It decides on the granting or rejection, and where provided for, on the amounts to be granted.

CHAPTER V: FINANCIAL PROVISIONS

The grants can be used for the duration of the granting.

The remaining amount will be recovered by the F.R.S.-FNRS.

Article 14

The grants at the disposal of the promoters are managed by the financial department of the academic institution to which they are attached.

The financial department of the academic institution shall send the supporting documents to the F.R.S.-FNRS as soon as possible.

The supporting documents must be sent at the latest 2 months after the end of the granting; that is to say before the 1st March of the year in question.

CHAPTER VI: MISCELLANEOUS PROVISIONS

Article 15

Any device acquired with a credit from the F.R.S.-FNRS becomes the property of the host academic institution, to which the beneficiary of the credit is attached.

The purchase of any device must be done with due respect for the provisions defined by the relevant department of the host academic institution.

This institution commits, however, to putting the mentioned device at the disposal of the researchers involved for the time needed in order to conduct the research, which led to its purchase in the first place. In addition, the host academic institution commits not to alienating or lending the equipment without the prior written approval of the F.R.S.-FNRS.

In the event that the device was purchased with the provision of an additional funding, the Board of Trustees of the F.R.S.-FNRS will settle the ownership issue with the competent authorities.

Article 16

Grants are exclusively allocated for the execution of the research programme approved by the F.R.S.-FNRS. Promoters are required to use them solely for that purpose. Any fundamental change in the research programme must obtain the prior written approval of the F.R.S.-FNRS.

Article 18

Promoters must submit to the rules imposed by the academic authority of the host institution where they work and observe its regulations. In addition, regarding the F.R.S.-FNRS, they must adhere to the regulation on property, protection and promotion of the results from the research carried out within the institution.

Article 19

Three months after the end of the funding scheme, a request for a final report shall be sent to the main promoter.

The main promoter must send this final report to the F.R.S.-FNRS within two months following the request.

Article 20

Pursuant to the [Regulation](#) on the application of the Open Access policy to scientific publications resulting from research programmes supported by the F.R.S.-FNRS and its Associated Funds, any scientific publication resulting partially or fully from the funding granted through the instruments of the Credits and Projects Call shall mention the source of this funding as follows:

“This work was supported by the Fonds de la Recherche Scientifique-FNRS under Grant(s) n° [funding number]”.
