Bruno Van Pottelsberghe

are pleased to invite you to a symposium on

Patient Access to Innovation: Learnings from Rare Diseases

Date: 31 March 2023

Location: Palace of the Academies

Morning Session

Chairs: Hilde Stevens and Michel Goldman

- 09:15 Introductory Remarks
Hilde Stevens and Michel Goldman
I3h interdisciplinary program in healthcare innovation
- 09:30 The Case of Transthyretin Amyloid Cardiomyopathy
Antoine Bondue, *Hôpital Erasme*
Anke Van den broeck, *Astrazeneca*
- 10:30 The Case of HyperEosinophilic syndrome
Florence Roufosse, *Hôpital Erasme*
Laura Walrave, *GSK*
- 11:30 Coffee/Tea break
- 12:00 Roundtable on Unmet Needs in Rare Diseases
Antoine Bondue, Florence Roufosse and Miriam Cnop (*Hôpital Erasme*)
Eva Schoeters (*RaDiOrg*) and Delphine Heenen (*KickCancer*)
- 13:00 Lunch Break

Afternoon Session

- 13:45 Introductory Remarks
Jean-Paul Degaute/Jean Nève, *Fondation Médicaments & Société*
- 14:00 Patients as research partners (Chair: A. Bondue)
Ludivine Verboogen, *RaDiOrg*
Simone Boselli, *Eurordis*
- 14:45 How to accelerate Research and Development for rare diseases
(Chair: M. Goldman)
Reinhilde Veugelers, *KULeuven and Bruegel*
Magda Chlebus, *EFPIA*
- 15:30 How Belgium tackles rare diseases (Chairs: J.Gusman & K.Crabbe)
Benedicte Gombault, *King Baudouin Foundation*
Elfride De Baere, *Belgian College for Genetics & Rare Diseases, UGent*
Hans Constandt, *Belgian Health Data Authority*
- 17:00 Coffee/Tea Break

Closing Session - Annual I3h Lecture and Debate

- 17:30 Introductory Remarks
Michel Goldman, *President of the I3h Institute*
- 17:45 Lecture
"From a single patient to therapeutic innovation for a genetic malformative disorder"
Guillaume Canaud, *Hôpital Necker, Paris*
- Debate
Fabrice Branle, *Global Program Clinical Head, Novartis*
Jo De Cock, *Chair of the Belgian National Committee for Physicians and Health Insurance Funds*
Mathias Dewatripont, *Co-director of the I3h Institute*
Ludvine Verboogen, *Vice-Chair of RaDiOrg, Belgium*
- Moderator: Vanessa Costanzo, *Into the Comm*
- 19:15 Reception
